

Why should you care?

Think the fight to save Bardmoor, Baypointe and Tides golf courses doesn't affect you?

Think again.

If Bardmoor Country Club becomes yet another housing development, Bayou Club Golf Course may suffer the same fate. Chipping away at even one parcel of green space will set a precedent for destruction of other open space within Tampa Bay and Pinellas County.

Help Save Bardmoor! Stay informed! Donate to our cause and order a t-shirt and yard sign to show your support.
