

Bayou Club Community Update

Tonight we will be closing off the parking lot near the west back gate so they can paint the white lines tomorrow. It will reopen once they finish. Tomorrow, please also be aware of the workers who will also be adding the stripes near all the stop signs.

We notice more wildlife activity this time of year. Please visit <http://www.bayouclubcommunity.com/community-update> for more information and continuous updates our emails sometimes end up in your junk folder.

Dog Complaints:

Not everyone is a dog lover or even if they are, they do not want ***your*** dog eliminating on their nicely landscaped lawn causing lawn burn damage. Please be respectful of your neighbors and their property and ALWAYS clean up after your dog!

Florida Statute on Trespassing:
